

Funding of **Conference Participation** On **Diabetes and/or Depression** In **Germany 2018**

What's it about?

The transCampus initiative – the first of its kind in Europe - is a unique partnership between two of Europe's leading academic institutions, King's College London and Technische Universität Dresden. In the context of a joint grant on Diabetes and Depression, we offer financial support for **participation in conferences on Diabetes and/or Depression in Germany 2018**.

Who is eligible?

- **doctorate students** at King's College London with research focus on diabetes and/or depression

How much funding will I get?

- **EUR 89** per day
- **EUR 125** once for travel costs

How to apply:

Please fill out the attached form and send in all required documents until **22nd January 2018 via e-mail to Felix Klee**, Department for Development and International Affairs (see below).

Only complete applications will be considered.
